

Participant NPQ Engagement

You can find your % participant engagement rate on your My Ambition portal.

Click on the 'My NPQ Progress' tab.

You must click on the orange banner to 'Mark course as complete' when you have completed modules or catch up on Steplab. If you do not complete this step, your engagement % on My Ambition platform will not increase.

Please note: Any content completed on Steplab will take 24 hours to sync with your My Ambition platform.
