Hear what our delegates have to say!

“NPQs have been transformative in terms of teacher confidence, pupil learning, and even in creating a shared sense of belonging. They are woven throughout everyday school life; in fact, they are so integral to how things are done that teachers are now fighting for the opportunity to join the NPQ programmes.”

Executive Headteacher in Kirklees

**EXPERT**  
Sessions delivered by facilitators who have a wealth of knowledge and experience.

**FLEXIBLE**  
A 'little & often' approach to learning. Self-guided online modules, in-person sessions, and online, interactive sessions means a manageable workload.

**RELEVANT**  
Each NPQ programme is created with a carefully sequenced curriculum to support teachers and leaders getting better over time.

**NETWORK**  
Connect and share your experiences to build a strong local support network.
